

The Fair Playoffs Resolution

WHEREAS, private schools represent just 14% of all MHSAA member schools but win 31% of the state titles, twice as many as they statistically should;

WHEREAS, private schools win 44% of the state titles in the lower half of the divisions of the MHSAA playoffs, three times as many as they statistically should;

WHEREAS, we believe the MHSAA playoff system should be fair and have as much competitive balance as possible;

THEREFORE LET IT BE RESOLVED that (insert entity here) supports the opportunity for MHSAA member schools to vote on whether or not a competitive balance plan should be implemented for all MHSAA playoffs.

THEREFORE LET IT BE RESOLVED that (insert entity here) believes that if the majority of MHSAA member schools support instituting a competitive balance plan then member schools should be provided an opportunity to vote on the exact plan to be implemented.
